

G-Learning

Online games based training

> What are the benefits for your business?

What is G-learning?

G-learning differentiates from e-learning. Increased employee engagement and increased completion. Skills training is about practice. Merchants is about learning and practice. Concept-skill-practice-feedback-practice-result.

No Travel/Accommodation Costs

- Flexibility
- Only needs computer and internet access
- No installation required
- No logistics. Can be completed at workplace or at home
- Cost effective

Role play situations

- Participant has role in learning game
- Role play provides opportunity for practice

Face-to-face mentoring

- Feedback throughout program - more access than a classroom environment
- Access to 'mentor' throughout training

Makes life easy for HR

- Easy to organise
- Easy to implement
- 'Super-User' model - access to participant progress

No Travel/Accommodation Costs

- No added trainer costs

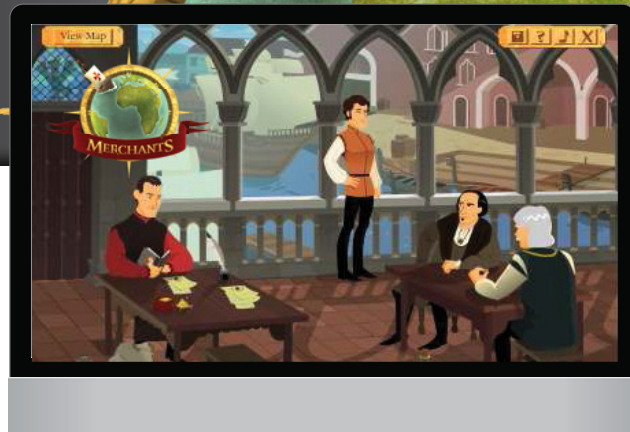

Help desk support

- Motivational support available

Cost Effective

- Save time and money

About Us...

AgExcellence is a training and development consultancy committed to building workforce capability through the delivery of customised solutions based training and development. AgExcellence specialises in sales, business, communication, management and leadership programs designed specifically for the agribusiness sector.

Why choose AgExcellence?

We don't just deliver training. Our focus is on integrating solutions to empower your personnel and arm them with the skills they need to improve their productivity and increase profitability. We take a holistic approach to achieving the goals set for your business by implementing a structured, sustainable and measurable process. We bring over 35 years of front-line and senior management experience in the agricultural industry combined with outstanding facilitation, friendly, responsive and personalised service.
